All prices are stated in \$US. All claims, written or verbal, must be made within five (5) business days after receipt of the product. If you require a return, please call for a Return Material Authorization (RMA). A detailed explanation of the return must accompany the returned product(s). Returns of stock items with standard bore sizes are subject to a restocking fee. Custom parts and/or special bore sizes are not returnable. All returns are subject to KEB inspection before a final disposition can be made.
